

I am writing to recommend that you use Asi Electric, Inc.'s services for your next project. MI Design has engaged Asi Electric's services on a number of occasions. We have been consistently impressed by their professionalism, skills in managing jobsites and record keeping. From a designer's point of view I, Lamia Maalouf, truly appreciate the company's delicacy at our high-end residential projects as well as the ability to complete the work on time and within budget constraints.

We will certainly use Asi Electric, Inc. services for our commercial and residential future projects.

Sincere regards,

Lamia Maalouf, ASID
